Do you need any assistance with your class communications from the HAA?

Occasionally (once every year or two), I ask for (and receive) an updated Class List. Otherwise, I'm all set.

SUPPORTING YOUR WORK

Last year, the HAA implemented a quarterly AHCCS&T newsletter, *The Quill and Key*. Please share any thoughts or feedback on the newsletter.

I did participate, but was surprised to learn that space was limited and, as a result, had to eliminate two items (all my items being reasonably short).

What, if any, assistance do you need from the HAA and/or AHCCS&T?

Maybe getting to the point when we need to be thinking about succession (for me) ... and the final throes of our Class Treasury, etc. We've had two Class Treasurers die in the past two years ... and I recently had open-heart surgery (though I am doing quite well now). We will also need more help, than for previous reunions, with our 65th Reunion.
